

CAMP DRAKE 2009 (BETTER THAN EVER)

NEW RANGE. NEW SKILLS. NEW ADVENTURES!

**TARGET

RANGE**

Take advantage of the outdoor excitement by attending Camp Robert Drake, near Oakwood, this year. Since Camp Drake is only 25 minutes from downtown Urbana, it is easy to set-up special occasions for your Scouting unit and utilize the magnificent facilities for your event.

Reserve one or more of the three Scout Cabins for the weekend. Enjoy three days with a roof over your head and a wood stove for heat and comfort in all weather conditions. Each cabin can house up to 12 to 16 campers in bunk beds and cots.

The Campfire Arena is a favorite gathering place for outdoor recognition events, because of the elaborate sound and lighting system, as well as the festive atmosphere of fellowship.

Use the Training Center for your Leadership Retreats or other special events to provide an option of a working kitchen, educational tools, indoor restrooms/showers, as well as adjacent bedroom apartments.

The Dining Hall is available for larger scale indoor events with seating for over 300 people. Utilize the space for indoor activities or create memorable chimney campfire ceremonies.

Special patches and medals are available for hikers of the Onaquississippi Trail, the challenging perimeter path that traverses the ridges and valleys, the prairies and ponds which abound along the 310 acres on the banks of the Salt Fork River.

All reservations for Camp Drake facilities can be reserved through the Raymond Lee Scout Service Center, 1-800-464-7291.
